OUR CHALLENGE

One of marketing's toughest challenges is extracting content from subject matter experts (SMEs).

A large teal circle is partially visible on the left side of the slide, with a white border.

OUR PURPOSE

This session equips marketers with tools to get content from their technical team.

INTERACTION!

SESSION OVERVIEW

- **Step 1:** Explain the Why to Leadership
- **Step 2:** Recognize Technical Personas
- **Step 3:** Identify 5 Ways to Extract Content

WHO ARE YOU?

STEP 3

5 Ways to Extract Content from Technical Experts

#SMPSSunBuilt @EmpatheticDG

WHAT?
SO WHAT?
NOW WHAT?

THE TECHNICAL EXTRACTION

- What is the topic?  WHAT?
- Describe a project that involved this topic. What was the outcome?
- How does this help your clients with their projects?  SO WHAT?
- Would we be considered an expert in this topic?

THE MARKETING EXTRACTION

- Who is the audience (decision makers and influencers)?
- Why do your clients care about this (Who cares)?  SO WHAT?
- What makes our company different?
- What would be ideal for the readers to do next?  NOW WHAT?

CONTENT WORKSHOPS

WHAT IS A CONTENT WORKSHOP?

HOW IT WORKS

Determine Persona

(Who are the influencers and decision makers?)

Identify Pain Points

(What the personas have issues with at work?)

Match Services

(What services help them solve pain points)

WORKSHOP PROS & CONS

Pros:

- Collect content ideas for a full year
- Reveal deeper understanding of personas & pain points

Cons:

- At least one 'big picture' SME should be in room to help discussion
- Scheduling 5-15 people for a workshop can be difficult

CONTENT WORKSHOP TIP

Discover the true pain points
of your customers and you
unlock an abundance of
content.

TAKEAWAYS

1. LEAD GENERATION. LEAD GENERATION. LEAD GENERATION.
2. Everything starts with content generation.
3. Remember your technical personas.
4. All content should be customer-focused. You are the client advocate.
Ask yourself: What, So What, Now What?
5. Present $2 + 2$, not 4.

LISTEN AND SOLVE, NOT
TELL AND SELL.
